SMACNA - WESTERN WASHINGTON'S - 1ST ANNUAL TECHNICAL SEMINAR

Tuesday, April 21, 2015

Hilton SeaTac (Located in the Main Hotel Building)
17620 International Blvd, Seattle, Washington, 98188

Early Bird Session - An Introduction to Blue Beam Technology:

Lilian Magallanes, Industry Specialist with Blue Beam Software, Inc., will demonstrate how Blue Beam offers powerful PDF editing, markup and collaboration technology.

Session I - SMACNA HVAC Duct Construction Standards:

Mark Terzigni, SMACNA National Director of Engineering, will provide an overview on how to properly use SMACNA's HVAC Duct Construction Standards Manual. Topics covered will include rectangular and round duct. Mark will also address common issues, questions, and errors based on technical inquiries sent to SMACNA.

Session II - Phenolic Duct Construction and Demonstration:

Mark Terzigni, SMACNA National Director of Engineering, will discuss the proper Phenolic duct construction standards. Tom Neal with Airflow Distribution and Gavin Hunter with Kingspan, will give an overview of the new Phenolic duct product, and give a hands-on demonstration.
