Essays
<p>In three pages or less (total), please respond to the following two essay questions and attach your responses to the end of this application. Responses should be typewritten, 10 – 12 point font.</p> <ol style="list-style-type: none"> 1. What are your career goals and how do they align with ASHRAE-related industries? What steps have you taken to pursue these goals so far? If you have been involved in any ASHRAE activities, please also describe those in your response. 2. What do you see as the greatest opportunities to improve engineering education and training?

By signing or typing my name below, I confirm that I have read, understand, and agree to the following:

- I have reviewed my responses in this application, and certify that they are correct to the best of my knowledge.
- Scholarship recipient(s) will be selected based primarily on the following criteria: Academics, Essay Responses, and ASHRAE membership status and involvement. Note that financial need is not a consideration in the award of this scholarship.
- Scholarship funds will typically be paid directly to the recipient’s school, to be credited directly against the student’s tuition. However, Puget Sound ASHRAE reserves the right to make final determination of scholarship award amount and method as it sees fit.
- The final decision for all scholarship awards rests with Puget Sound ASHRAE. Puget Sound ASHRAE may, at its discretion, distribute scholarship awards among institutions as it sees fit. Puget Sound ASHRAE is not obligated to award scholarships to students from each academic institution applying.
