

**10th Annual  
Central Sound Regional Science and Engineering Fair  
Saturday, March 16, 2019**

- The fair will be hosted this year at Bellevue College.
- Grand champions at this fair win trips to compete at the Intel International Science and Engineering Fair (Intel ISEF), the world's largest international pre-college science competition.
- There are approximately 180 student projects this year! Entries are from high schools all over King and Snohomish Counties.
- More judges in the fields of **environmental engineering, mechanical engineering, biomedical engineering, and robotics** are needed.
- **The online registration form for judges can be found at: <https://centralsound.stemwizard.com/>** Click on "registration" in the top right corner of the page to get started.

- It takes about a minute to register/create a login and another 5-10 minutes to fill out the rest of the registration, which includes questions like:
  - Number of years of judge experience
  - Degree (requirement: Bachelor's degree or higher)
  - Potential conflicts
  - Current employer
  - Which categories you are interested in judging
- General information about judging at the fair can be found at: <https://www.bellevuecollege.edu/sciencefair/judges/>
  - Plan to be at the fair from 8 to approximately 1:30pm.
  - Free breakfast and lunch
  - Cool t-shirt
  - Great networking opportunity.
  - Meet the region's best and brightest young scientists and engineers. We are impressed with the caliber of student work year after year!

**Gina Fiorini**

Head Judge, Central Sound Regional Science and Engineering Fair  
Sr. Assoc. Prof. of Chemistry, Science Division  
(425) 564-2095
